INDEPENDENT AUDITOR'S REPORT

Board of Directors
Humane Farming Association
San Rafael, California

Report on the Financial Statements

I have audited the accompanying financial statements of Humane Farming Association (a non profit organization), which comprise the statement of financial position as of December 31, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended and the related notes to financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Humane Farming Association as of December 31, 2019, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2019**

NOTE 1 - GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General - The Humane Farming Association is a national, non-profit organization. The organization works to protect consumers from the misuse of chemicals in food production and to eliminate the suffering to which farm animals are subjected. The organization maintains its books on the accrual method of accounting.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents - Humane Farming Association considers all cash on deposit with banks, cash on hand, and highly liquid investments with an initial maturity of three months or less to be cash and cash equivalents.

Inventory - Inventory is carried at the lower of cost or fair market value, using the first-in, first-out method of accounting.

Investments - Investments in equity securities with readily determinable fair market values and all investments in debt securities are reported at their fair market values in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

Property, Equipment and Depreciation - Humane Farming Association capitalizes all acquisitions of property and equipment in excess of \$1,000. Property and equipment are capitalized at cost if purchased and at fair market value if acquired by donation. Depreciation of property and equipment is provided on a straight-line basis over the estimated useful lives of the respective assets.

Income Tax Status - Humane Farming Association is exempt from federal and state income taxes under Section 501 C 3 of the Internal Revenue Code and Section 23701 D of the California Revenue and Taxation Code and has received a permanent IRS determination that it is a public charity under Internal Revenue Code Section 509 A 1. The open years for Federal and State audits are 2016, 2017 and 2018.
